

## Alexandria Gazette.

THURSDAY EVENING, JUNE 3, 1909.

## Local Matters.

## Sun and Tide Table.

Sun rises tomorrow at 4:30, and sets at 7:23. High water at 7:50 a. m. and 8:28 p. m.

## Weather Probabilities.

For this section rain tonight and Friday; slightly cooler; moderate variable winds, becoming easterly and increasing.

## BODY RECOVERED.

The body of the late Mrs. May Wood, whose drowning was the outcome of an accident to a gasoline boat in the vicinity of Marshall Hall Monday afternoon, was recovered about four o'clock yesterday afternoon. The river at the scene of the drowning had been dragged for forty eight hours. On Tuesday a piece of a skirt said to have been worn by the deceased, was hooked and brought to the surface.

While men were still engaged in attempts to recover the body, the crew of the U. S. quartermaster's tugboat Tecumseh saw it floating on the Virginia side of the river a short distance north of the spot where the unfortunate woman sank. One of the gasoline boats containing men engaged in the search responded to the signals made from the tugboat and the body was taken from the water, placed in a bathtub and about 7 o'clock was brought to this city. Mr. B. Wheatley took charge of the body at the foot of Wilkes street and carried it to his undertaking establishment. The steamer Charles McAlister had stopped at this point on her way up the river an hour earlier, when the officers of the steamer announced that the body had been recovered. A large crowd assembled at the foot of Wilkes street when it reached the wharf. This morning the remains were taken to the residence, 509 south Fairfax street. The funeral will take place at 5 o'clock this afternoon. The services will be conducted by Rev. J. R. Sevier, and the pallbearers will be Messrs. Claude Phillips, Harvey Drowns, Herbert Phillips, Will Kersey, Frank Cook and Carl Colkesser.

## ROSEMONT ITEMS.

In addition to the five houses which have been started by the company at Rosemont, three additional handsome brick dwellings will be started within the next week or two by purchasers, who will make their homes there, among the number being Mr. E. H. Kemper, assistant controller of the Southern Railway.

It has been determined to put electric lights along the streets in Rosemont, and arrangements are now being made for their installation.

A night watchman has been on duty since the completion of the houses now in Rosemont and a regular county deputy sheriff will be appointed to act as a regular night policeman.

Mr. A. J. Pohl and Mr. F. L. Slaymaker moved into their new houses in Rosemont last Monday.

All the underground work at Rosemont (sewers, gas and water) have been completed, and the work of surfacing the streets and generally beautifying the property is being pushed rapidly, and when completed Alexandria will have a suburban residence section the equal in improvements and conveniences as well as beauty of Chevy Chase, Washington's most beautiful suburb.

## THE BOYS' BRIGADE.

On Friday night at 7:30 the Alexandria division of the United Boys' Brigade will give a public exhibition drill at Armory Hall. This organization is a branch work of the Covenanters of the Second Presbyterian church, but is inter-denominational. The purpose is to develop and train boys into full christian manhood, inculcating the lessons of obedience, reverence and patriotic loyalty. Every member takes a pledge when he joins to regularly attend some Sunday school, to learn the commandments, to render prompt obedience to all in authority, and to abstain from all use of intoxicants and tobacco. The boys are under the military command of Captain Jack Munroe, of the Alexandria Light Infantry. The public is cordially invited to watch the boys drill tomorrow evening.

## THE TRIAL OF PINES.

Richard Pines, one of the four colored men who were recently indicted by the grand jury for the murder of Walter F. Schulz on the night of the 6th of last March, will, it is expected, be placed on trial in the Corporation Court next Tuesday. Mr. S. G. Brent, commonwealth's attorney, will conduct the prosecution, and Mr. Avelin Nicol will be counsel for the accused. A jury will be selected from Fairfax, and City Sergeant Cox will leave here tomorrow for that place for the purpose of summoning venire of fifty from which to select a jury.

## RECEIVERS APPOINTED.

In Washington yesterday a receiver was appointed to take charge of the affairs of the Semmes-Kelley Company of that city, who in turn requested the court to appoint a receiver for the Sanitary Grocery Company, most of the stock of which is owned by the Semmes-Kelley Company.

The R. P. Andrews Company, of Washington, and the B. A. Armstrong Company of this city signed the petition in the case of the K-day company, who agreed in the appointment of the receivers.

## POLICE COURT.

[Justice H. B. Caton presiding.] The following cases were disposed of this morning: James Lucas, charged with assaulting George Byrd, was fined \$5. A white man and his wife, charged with drunken and disorderly conduct, were fined \$5 each, and a white woman, charged with a similar offense, was dismissed upon promising to leave for her home in Richmond.

## FUNERAL.

The funeral of the late Mrs. Margaret C. Fisher, who died Tuesday morning, will take place this afternoon from the residence of Mr. A. J. King, 313 south Fairfax street. The services were conducted by Rev. O. D. Bulla, and the pallbearers were Messrs. O. S. Self, V. C. Taylor, John Watkins, A. J. Butler, G. K. Bender and Frank Cook.

See those Queen Quality Ankle Strap PUMPS, necktie bow. They are the newest. John A. Marshall & Bro., 422 King street.

## AMUSEMENTS.

The biggest bill ever yet presented to the theatre-going people of Alexandria is that at the Surprise Theatre commencing tonight and continuing up to and including Saturday night. To start this excellent programme the first act on the list is Wilson & Claire, the best in the business in the comedy sketch line; then comes Tucker & Stone, go less renowned, the entertaining twin dancers; last and greatest of all entertainers is the marvelous Malcons, foremost novelty globe rollers in this country. Their dancing on rolling globes is the wonder of the age. The serpentine dance by Miss Emma Malcon will be of a high order.

The people of Alexandria highly appreciate a novel entertainment as shown by the crowds which nightly visit the Alexandria Amusement Company. The pictures shown by this enterprising company seem to get better as the season advances. Outside of 3,000 feet of the best selected subjects in the motion picture line, an additional attraction is the handsome prize awarded nightly, which can be seen in the window in front of the amusement hall.

Either of the above houses can be visited tonight and a good show witnessed.

## INVITATIONS.

We have received from the trustees and President Jarnan, of the State Normal School at Farmville, an invitation to be present at the exercises celebrating the twenty-fifth anniversary to be held in the auditorium at Farmville, Virginia, Tuesday, the 8th of June. Governor Swanson will make an address.

We have received an invitation from the graduating class of Randolph Macon College to attend the commencement exercises on June 6-10 at Ashland.

## CHALK TALK.

The chalk talk to be given by Mr. Clifford K. Berryman, for the benefit of the library building fund of the First Baptist Sunday school, promises to be a success. As he draws his pictures upon the blackboard Mr. Berryman tells interesting stories in connection therewith. In addition to the chalk talk a special musical entertainment has been arranged, which will be in charge of Mr. J. T. Preston of this city and Mr. Wm. H. Starnell of Washington.

## CROSSES OF HONOR.

The Seventeenth Virginia Regiment Chapter, U. D. C., will hold a reception tonight in Lee Camp Hall in observance of the birthday of Jefferson Davis. All the southern organizations in the city will attend. During the evening crosses of honor will be presented to a number of Confederate veterans and others to the widows and descendants of veterans. A musical and literary programme will also be rendered.

## MIDNIGHT RAINS.

There was a succession of heavy showers of rain last night, which began to fall about midnight and continued until after one o'clock this morning. The showers were at times accompanied by heavy flurries of wind, together with much thunder and lightning. An easterly wind prevailed this morning, and showers have fallen today.

## KINDERGARTEN.

The directors of the Alexandria Free Kindergarten Association will have a lawn party at 219 north Washington street, Saturday, from 5 to 9 o'clock. As this is the first lawn party of the season the directors hope that all friends of this worthy cause will be present.

## BIDS FOR FUEL.

The bids submitted for supplying the public schools of this city with fuel during the coming year were opened today. The lowest bidders were T. J. Fannon for Cumberland coal, DeW. Althauson for white ash coal and R. E. Grover for wood.

Fire, supposed to have been of incendiary origin, destroyed the stables of the Indiana Ridge Colliery, owned by the Reading Company, at Shenandoah, Pa., early today. Twenty-seven mules were cremated.

There is a lot of indiscriminate mud throwing nowadays, both in and out of the House and Senate, regarding the new tariff reform bill. There is not even a questionable doubt but what the poor consumer will get it in the neck (as usually). The trustee will attend to that. As Mr. Einstein so aptly remarks: "If you always put your trust in the trust it is a skinch dot you will always be busted." What can we do? Why simply come to the "Independent" Auto Stand for those irresistibly delicious Auto Products, and help to bust the trusts. Sylvan Blumheim, The Auto Stand, City Market.
